Testimony:

Right from my childhood I was educated about Christian values. Being the eldest of the four siblings I had many responsibilities including taking care of my siblings. This responsibility made me very obedient to my parents. I was also very regular and good in Sunday’s school. All these made me feel very righteous about myself that I could never understand why Jesus died for my sins. I know deep within me I need Jesus but I just could not accept the fact that I was a sinner. I sought God for many years until I turned seventeen, that’s when I accepted Christ as my savior. He showed me what a great sinner I was. From that day onwards there was no turning back in my life.

After my born again experience I knew that I was set apart to serve him. After much hesitation it took me three years to really yield to His calling. I joined the mission field as a full time missionary in 2006. I had a blessed time of realizing the joy of serving the Lord. I recommitted my life to God in Tripura mission field in the year 2009. The next year I joined Union Biblical Seminary, Pune to do my Bachelor’s in theology. By God’s grace I graduated in 2016 and served as an evangelist along with my husband with Emmanuel Methodist Church, Chennai for two years. In the year 2018, I enrolled for Master’s in Theology in Old Testament in United Theological College, Bangalore. By His grace, in the year 2020, I completed the program with deeper understanding. Through the years, I have discerned that God has clearly called me for teaching ministry. With prayers and passion, I am looking forward to serve the Lord.
